Description

Secure your cargo with JUMBO lashing. This robust lashing is 12 meters long and 50 mm wide, making it ideal for securing heavy objects during transport. With an impressive 5000 kg breaking strength and a load capacity of up to 2500 kg, you can rely on this lashing to keep your cargo safe.

Key features:

Length and Width: 10 meters long and 50 mm wide, of which the garbage part is 0.5 meters and the remaining part is 11.5 meters. Perfect for a wide range of applications.
Breaking strength: 5000 kg, giving you maximum safety and durability.
Load capacity: Can handle up to 2500 kg, ideal for both professional and personal use.
Certification: EN 12195-2 certified, ensuring the lashing meets European standards for safety and quality.
Material: High quality with ratchet and double J-hook for extra safety and ease of use.
Weight: 3 kg, light enough to be manageable but robust enough for heavy loads.
Application:
