

# Concrete footing

For fence

## Specifications

Weight: 37 kg

Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
35BH100	5640182			1 years	37 kg

## Description

This concrete footing is designed as a solid and stable base for JUMBO construction site fences. The concrete footing ensures that the fence remains firmly and securely in place, regardless of the terrain. It is ideal for use on construction sites, at festivals, and other areas where temporary fencing is required.

Made from high-strength concrete, this footing is highly durable and resistant to weather conditions. It is easy to install and ensures that the fence remains stable and secure under various conditions.

Specifications:

- Material: High-strength concrete
- Application: For JUMBO construction site fences
- This concrete footing is a reliable solution for achieving maximum stability and security for your construction site fencing.
