Description

The JUMBO Pro Multi Trestle is a robust and versatile trestle, suitable for a wide range of tasks. It can be used both as a sawhorse and a small stepladder, making it ideal for both professional and DIY projects.

Technical Specifications and Benefits:

- Material: Aluminium with anodized surface (no dirty hands).
- Functions: Can be used as a sawhorse and stepladder.
- Non-slip steps: Wide steps (24.4 x 36.5 cm) provide a solid base.
- Non-slip PVC feet: Ensure stability and safety.
- Support bar: 44 cm high for extra support.
- Compact storage: Easily folds for transport and storage.
- Multi Trestle as a Sawhorse:

Notches and grips: Allow for various setups for cutting boards, pipes, strips, etc.
