

# Scaftag Holder

With coupler

## Specifications

Weight: 0.9 kg

Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
15SHSK	1678716				0.9 kg

## Description

This scaftag holder is designed with a coupler for securely mounting scaftag signs. It is specifically designed to fit signs 15SHSDA and 15SHSEN, making it a versatile and practical solution for your signage needs on the construction site.

The holder is sturdy and easy to install, ensuring that your signs remain in place and visible under all conditions. The coupler ensures a stable and secure attachment, which is essential for maintaining the visibility and integrity of the signs on the construction site.

Specifications:

- Function: Holder with coupler for scaftag signs
- Compatibility: Fits signs 15SHSDA and 15SHSEN
- Application: For mounting scaftag signs with a coupler
- This scaftag holder is a reliable solution to ensure that your signs are properly mounted and visible on the construction site.
