Description

This hook is ideal for use with various electric winches and lifts. It is designed to attach to electric winches and can be used with our lifting rope (item no. 1560025 or 1560040). The robust construction ensures reliability and safety when lifting materials up to 30 kg. The hook is easy to attach and detach, making it an indispensable tool on the construction site or in the workshop.

Specifications:

- Compatible with various electric winches and lifting ropes
- Max load: 30 kg
- Robust and durable construction
- Easy to attach and detach
- Perfect for the construction site or workshop
