Description

The JUMBO Toeboard clips are a set of 4 durable clips designed to secure toeboards on JUMBO Rolling, Folding, and Facade scaffolds. These clips are made from impact-resistant plastic material, ensuring long-lasting durability and reliability under demanding work conditions. They are easy to install and provide a secure and stable attachment for the toeboard, which is crucial for maintaining safety on the scaffold. This set is a necessary accessory for anyone looking for a complete and safe scaffold setup.
