

# Combiflex Universal Scaffold

10 x 6 m

PRO

3 YEAR WARRANTY

## Specifications

Working Height: 12 m  
Standing Height: 10 m  
Scaffolding Class: 3.0  
Weight: 827.25 kg  
Material: Steel  
Colour: Grey  
Load Capacity: 200 kg/m<sup>2</sup>  
Jumbo Brand: PRO SCAFFOLDS

Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight

## Description

The JUMBO Combiflex Universal Scaffold is a flexible and robust scaffolding system designed to meet even the most demanding construction needs. The scaffold is made from hot-dip galvanised high-quality steel, ensuring both high strength and low weight, and providing resistance to corrosion. With built-in diagonal bracing in the railing and an innovative cup/wedge-lock joint system, it is quick and easy to assemble and disassemble. This universal scaffold can be constructed at any angle, 360° around, with up to 8 components at each node, offering maximum flexibility on the construction site.

The JUMBO Combiflex is manufactured in accordance with EN12810 standards, ensuring high quality and safety.
