Description

The JUMBO DIY Ladder Scaffold is a versatile 3-in-1 ladder ideal for home and garden use. This ladder can be used as a straight ladder, step ladder, and scaffold, providing flexibility for a wide range of tasks. The ladder scaffold is equipped with heavy-duty stiles to ensure extra strength and extended durability. The surface is anodised to prevent dirty fingerprints during use.

For maximum stability, the ladder is equipped with a stabiliser bar. This ladder is not only practical but also easy to transport and store due to its compact transport dimensions.

Specifications:

- Functions: Straight ladder, step ladder, and scaffold
- Number of steps: 2 x 6
- Width: 41 cm
- Length: 2.8 m
