Description

The JUMBO Super Pro Step Ladder - Narrow is designed for professionals who need a compact and reliable work platform. This step ladder features heavy-duty rails with an anodised surface, preventing dirty hands and ensuring long-lasting durability.

The 10 cm wide steps are equipped with 12-point connections and reinforced corners, providing extra stability and safety during use. The narrow top plate, measuring 22 x 40 cm, offers a solid and secure working surface, even in smaller workspaces.

For additional safety and comfort, a solid safety bracket can be purchased, making the work platform even more versatile in various professional settings.
