Description

The Pro Classic Handrail is a versatile safety solution that enhances stability and security on various ladder and work stool models. Measuring 1075 mm, this handrail comes with 2 brackets for easy and secure installation. It is compatible with a range of JUMBO products, including single step ladders (45TSE103-106), warehouse ladders (45LS105-107), as well as narrow, medium, and wide work stools (45ABS203-204, 45ABM203-204, 45ABB203-204). This handrail provides reliable support during work, increasing both safety and comfort in your work environment.
