Description

The Pro Classic Handrail, measuring 1670 mm, is an effective safety solution that provides additional support and stability for your ladders. This handrail comes with 3 brackets, ensuring a strong and secure installation. It is compatible with various JUMBO ladder models, including single step ladders (45TSE107-108), double step ladders (45TSD205-206), and warehouse ladders (45LS108-109). This handrail enhances safety and comfort, making it ideal for demanding tasks where extra stability is required.
