Description

This item number is intended for use with the purchase of a new JUMBO Folding Scaffold. It allows for the exchange of the standard 12.5 cm castors with larger and more robust 20 cm adjustable castors. The exchange includes special fittings that ensure precise and secure mounting on the scaffold. This option is ideal for those seeking increased stability and adjustability in their JUMBO Folding Scaffold. Please note that this item number can only be used in conjunction with the purchase of a new JUMBO Folding Scaffold.
