Description

The JUMBO Pro Dublo Step Ladder is a sturdy work stool designed to provide extra stability and comfort during tasks. Made from solid aluminium, it ensures durability even under intensive use. The step ladder features an extra-strong metal spreader bar for increased stability, along with robust, wear-resistant plastic feet. This extra-wide stool has a larger top plate, offering a bigger working area, making it ideal for tasks requiring freedom of movement and stability.

Detail Images

High-impact plastic feet with great durability

High quality stepladder in solid alu-quality

Extra solid spreader in metal.

Extra wide stool gives larger top plate - and larger work area.
