Description

The JUMBO Pro Platform Step Ladder is designed to offer maximum stability and convenience on the job. The large 55x70 cm platform features a fixed toeboard and solid handrail for added safety. The ladder includes a handy tool tray, making it easy to keep necessary tools within reach. With 10 cm wide steps and sturdy aluminium side rails, it provides both comfort and durability. The ladder also features a smart move/stop system on the wheels, allowing for easy relocation. When it comes to transport, the ladder is compact, with a transport height of only 40 cm, making it easy to store and move.
