Description

The Pro Classic 2 Part Combination Ladder is a durable and versatile ladder designed for professional use. This ladder features ergonomically designed aluminium steps measuring 35 x 35 mm, providing both comfort and safety during use. One of its key features is the self-locking click mechanism, which ensures the ladder stays securely locked when used as an extension ladder, preventing accidental collapse.

The side rails are made from an extra stable special profile and are anodised to prevent dirty fingerprints, keeping the ladder looking clean and professional. The ladder also comes with a ladder foot, enhancing stability and safety on various surfaces.

Key Features:

- Ergonomic aluminium steps (35 x 35 mm) for comfort and safety
- Self-locking click mechanism for added safety in extension ladder mode
- Anodised side rails for a clean and professional appearance
- Comes with ladder foot for increased stability

Detail Images
