Description

The JUMBO Pro Heavy Step Stool is designed for professionals who demand robustness and stability in their equipment. The step stool is made from solid aluminium with wide side rails, ensuring a strong and stable construction. The large top plate is non-slip, providing a secure surface to work on, while the 8 cm wide steps offer comfortable and safe climbing. The sturdy, wear-resistant plastic feet prevent slippage and provide extra stability on various surfaces. This step stool is the ideal choice for those who need a reliable and durable solution for elevated work tasks.
