## Description

The JUMBO Pro Combination Ladder is a versatile and robust ladder, ideal for both craftsmen and industrial tasks. This 3-part ladder features sturdy aluminium side rails that ensure a durable and stable construction. The 35 mm wide ergonomic rungs provide secure and comfortable footing during use. The ladder comes with a fixed stabiliser bar with impact-resistant plastic feet, offering extra stability and preventing slippage. This combination ladder is the perfect choice for professionals who need a flexible and reliable ladder for various work scenarios.
