## Description

The JUMBO DIY Telescopic Multi-Use Ladder is a versatile and practical ladder for all your tasks. This 2-in-1 ladder can be used both as an extension ladder and a step ladder, providing flexibility for a wide range of jobs. As an extension ladder, it can be adjusted from 2.60 to 4.20 meters, and as a step ladder, it can be configured to 4, 5, 6, or 7 steps.

To make the ladder as practical as possible, it takes up minimal space when folded. For safety, the multi-use ladder is equipped with heavy-duty hinges in electro-galvanised steel and sturdy aluminium stiles. The steps are angled and ergonomic, providing a flat and comfortable standing surface.

Specifications:
