Description

This 3-step stepladder is a practical and compact solution for both home and workplace. The ladder is easy to store with a folded height of approximately 107 cm and a width of 56 cm, making it easy to place in a closet or storage room.

Despite its compact design, it provides a stable work platform with a top width of just under 48 cm and a 46 cm handrail for extra safety.

Weighing only 10 kg, the ladder is easy to move around and comes ready to use. Perfect for kitchen, office or warehouse tasks where a few extra steps are needed - a small but smart helper in everyday life.
