Description

This 4-step stepladder is a smart and practical solution for both home and work. With a folded height of just 142 cm and a width of 55 cm, it's easy to store in a closet, storage room or warehouse. The wide steps of 21.6 cm provide a stable and comfortable standing surface and the internal working width of 36 cm ensures you have plenty of space when working.

The top measures 48 cm in width and a 46 cm handrail above the top step provides extra safety when standing tall. The ladder is easy to handle and folds up quickly, making it ideal for kitchen, office, shop or workshop tasks. A solid, safe and space-saving helper when you need a few extra steps in everyday life.
