

Safety Fence

Light | 3,472 x 2,0 M

Specifications

Length: 3.47 m
Height: 2 m
Weight: 13 kg
Colour: Grey

Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
35BH005	1525717			1 years	13 kg

Description

This construction site fence is made with a galvanised finish, ensuring long-lasting durability and protection against corrosion. It is perfect for fencing off construction sites, festivals, and other events where temporary barriers are needed.

The fence is easily assembled with the safety coupling 35BH102 and can be mounted in either concrete blocks 35BH100 or rubber blocks 35BH101, providing flexibility in various terrains. The lightweight construction makes it easy to handle and install, while the robust materials ensure stability and security.

Specifications:

Tube dimension: Horizontal $\text{Ø}25 \times 1.00$ mm, vertical $\text{Ø}42 \times 1.25$ mm

Wire thickness: Horizontal 3 mm, vertical 2.5 mm

Mesh size: 100x250 mm

Dimensions: 3.472 x 2.0 m

This construction site fence is a reliable solution for temporary fencing, meeting the needs for both safety and durability.
