Description

The JUMBO Combi Hand Truck is a practical and versatile hand truck that can be used in two functions, as a traditional hand truck or as a 4-wheel platform truck. This flexibility makes it ideal for a wide range of transport tasks.

Technical Specifications:

Wheels: Ø200 mm solid wheels with nylon rims

Functionality:

Can be used as a hand truck and a 4-wheel platform truck

Versatility: Easy to switch between functions to meet different transport needs.

Durability: Solid wheels and nylon rims ensure long life and reliability.

User-friendly: Simple to operate and switch between functions without the need for tools.

The JUMBO Combi Hand Truck is the perfect solution for those who need a flexible and reliable transport cart that can easily adapt to different tasks.
