## Description

The JUMBO Assembly Fitting is used to connect two or more JUMBO roof ladders or to join toeboards in the roof railing set. This fitting ensures a solid and stable connection, which is essential for the safety and durability of the construction.

Technical Specifications:

Application: Connecting JUMBO roof ladders and toeboards in roof railing sets

Package: Set of 2 pieces

The JUMBO Assembly Fitting is a reliable solution for creating cohesive and stable structures when assembling ladders and railings. These fittings are designed to withstand harsh weather conditions and ensure long-lasting performance.
