## Description

JUMBO Super Pro Straight Ladder is an extra wide ladder 44 cm. There is an extra strong ladder in the craftsman quality, made of 6005-T6 aluminum. This makes the ladder sturdy & durable ladder, while keeping weight low. The ladder has 38 mm ergonomically angled and non-slip steps, which gives you a flat and safe standing surface. Anodized aluminium steps and sidepieces - no dirty fingers!NOTE: To meet the requirements of the configuration of leaning ladders according to EN131-Professional, straight ladders including a base stabilizer should be chosen from a ladder length of 3 meters

## Detail Images

Combi-bracket makes it possible to use the ladder as a step ladder. Nylon fittings in aluminium mounts for fast & easy extension
