Description

The JUMBO Pro Mega Step Stool is a robust and reliable step stool designed for maximum stability and safety during work. It features a large top plate with a non-slip, waterproof finish, ensuring a secure foothold. The solid aluminium side rails and 8 cm wide steps provide a strong construction capable of withstanding intensive use. The step stool is equipped with durable plastic feet that ensure stability. A spring-loaded locking pin secures the legs when set up and is easy to release when folding, making the step stool compact and easy to store. This step stool is ideal for professionals who need a reliable and durable solution for elevated work tasks.

Detail Images

High-impact plastic feet with great durability

The locking mechanism holds the legs safely in place - and is easily unlocked to fold in the legs for storage or transportation.

High quality aluminium and 8 cm wide steps.

Takes up minimal space when folded
