Description

The JUMBO Super Pro Step Ladder - single with handrail is designed to meet the high demands of professional craftsmen. The ladder features heavy-duty rails with an anodised surface, preventing dirty hands and ensuring long-lasting durability. The 10 cm wide steps are equipped with 12-point connections and reinforced corners, providing extra strength and stability.

The ladder has a large, flat platform measuring 31 x 31 cm, offering a stable working surface. It is also equipped with a sturdy handrail that enhances safety and comfort during use. At the top of the handrail, there is a practical tool tray, allowing you to keep your tools within easy reach. This ladder is ideal for those who need a reliable and secure solution for their daily tasks.
