Description

The medium JUMBO Pro Classic step ladder is designed to meet the demands of professional craftsmen who require reliability and safety in their equipment. This step ladder features 2 steps, each measuring 8 cm in width and made from aluminium, ensuring a comfortable and secure ascent and descent. The large platform, measuring 25x54 cm, provides a solid and stable surface, ideal for a wide range of tasks.

The side rails, forming the structure of the step ladder, are made from a stable special profile, ensuring extra strength and durability. To maintain a clean and professional appearance, the rails are anodised, meaning they won't leave dirty fingerprints. Additionally, the ladder is equipped with sturdy hinge joints that further enhance its stability and safety.

Whether you're working on installations, maintenance, or smaller construction projects, this step ladder will provide the necessary stability and safety to carry out your tasks efficiently.

Specifications:

2 steps: 8 cm wide aluminium steps

Detail Images

Foldable spreader locks for space-saving storage and easy transport

Ergonomically designed 8 cm wide aluminium steps.

Highest sidepiece stability against buckling due to the special profile. Sidepieces are also anodized - no dirty fingers!
