Description

The narrow JUMBO Pro Classic step ladder is the perfect choice for craftsmen who need a strong and reliable ladder in tight or narrow workspaces. The step ladder features 2 aluminium steps, each 8 cm wide, providing a secure and comfortable ascent and descent. Despite its narrow design, the ladder offers a large platform measuring 25x65 cm, ensuring a stable and solid working surface, ideal for a wide range of tasks.

The side rails, which form the backbone of the ladder, are made from a highly stable special profile, ensuring extra strength and durability. The anodised side rails prevent dirty fingerprints, keeping the ladder looking presentable and professional. Additionally, the ladder is equipped with sturdy hinge joints, further enhancing its robustness and safety.

This step ladder is a reliable solution for craftsmen working in narrow spaces, providing the necessary stability and safety to perform tasks efficiently.
