Description

The Pro Classic 2 Part Extension Ladder with Rope is a high-quality ladder, ideal for professionals who demand durability and safety in their work. The ladder features ergonomic 35x35 mm aluminium rungs, providing a comfortable and secure platform. The stiles are highly stable and anodised, preventing dirty hands and enhancing the ladder's lifespan.

For easy extension, the ladder is equipped with top wheels and a rope, making it effortless to extend, even when fully extended. The ladder also includes an automatic click-lock and a stable ladder base, enhancing safety and stability during use. This makes the JUMBO Pro Classic 2 Part Extension Ladder the perfect choice for tradespeople seeking a reliable and secure solution.

Key Features:

- Ergonomic aluminium rungs (35 x 35 mm).
- Anodised stiles for increased stability and clean hands.
- Equipped with top wheels and rope for easy extension.

Detail Images
