Description

The JUMBO Pro Classic Shelf Ladder is the ideal solution for professionals who need a robust and durable ladder for warehouse work. The ladder is equipped with ergonomically designed 8 cm wide steps, ensuring comfort and safety during use. The side rails are made from an exceptionally stable special profile, providing the ladder with extra strength and durability. The anodised surface ensures that your hands remain clean, enhancing work comfort.

To make the ladder even more flexible and user-friendly, the Pro Classic Handrail and Pro Classic Hooks are available as optional extras, offering additional safety and functionality.

Specifications:

Exceptionally stable special profile side rails
Anodised side rails
Ergonomically designed steps: 8 cm wide, aluminium
Pro Classic Handrail and Pro Classic Hooks available as optional extras

Detail Images

Ergonomically designed 8 cm wide aluminium steps.

Highest sidepiece stability against buckling due to the special profile. Sidepieces are also anodized - no dirty fingers!
