Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
41LG212	1611766	5708375001541		3 years	0.7 kg

Description

This aluminium hinge allows you to convert your multi-use ladder into multiple practical tools. By detaching the outer sections and assembling them into a separate step ladder, you can use your multi-use ladder in different ways, effectively creating two step ladders from one.

The hinge can also be used with Giant telescopic planks (models 41LG183 or 41LG244) to create a small scaffold. This accessory is useful for professionals who need flexibility in their equipment.
