Description

This extra wide folding scaffold is designed to meet the needs of professional craftsmen. Made from durable aluminium, the scaffold is ideal for both indoor and outdoor tasks where a large working height is not required. The scaffold features fully welded frames and a platform with non-slip and waterproof plywood, ensuring both stability and safety during use. It is quick and easy to set up and dismantle, making it convenient in busy work environments. Supplied with Ø125 mm wheels with brakes, but an upgrade to larger wheels can be purchased for additional flexibility.

Detail Images

Non-slip platforms equipped with staggered hooks, which makes lengthwise extension without displacement possible

Placed at each end under the platform, the patented storm locks are used to secure the platform to the scaffold

The practical and covered snap lock makes assembly easy. The lock is cast solid quality.

Extra sturdy 125mm castors with polyurethane tread. Great wearing qualities and resilience against various solvents.

The set consists of
