Description

The Pro Platform Ladder - Double Side is the ideal solution for tasks requiring both stability and mobility. Equipped with spring-loaded wheels that automatically lock when the ladder is under load, this platform is easy to move around the worksite without compromising safety. It comes with two wheels with brakes and two without, making transport easy and ergonomically sound. This platform ladder is perfect for professionals who need a reliable and flexible solution for working at height. NOTE: THIS IS A SPECIAL ORDER ITEM.
