Description

The JUMBO Pro Straight Ladder is designed for professionals who need a solid and reliable ladder for demanding tasks. This ladder features sturdy aluminium side rails that ensure a strong and stable construction, capable of withstanding intensive use. The 35 mm wide ergonomic rungs provide comfortable and secure footing, even during extended periods of use. To further enhance safety, the ladder comes with a stabiliser bar, which adds extra stability. This straight ladder is the ideal solution for craftsmen and industrial workers who demand high quality and safety in their daily work.
