## Description

The JUMBO DIY Combi Ladder is a versatile 2-in-1 ladder that can be used as both an extension and a step ladder. When used as a step ladder, the extendable section serves as a practical handrail, enhancing safety. To ensure maximum stability, a stabiliser bar is included. The combi ladder is constructed with heavy-duty aluminium stiles, providing extra strength and durability. The stiles have an anodised finish to prevent leaving dirty fingerprints on the ladder.
