Description

This safety bracket in anodised aluminium is designed to enhance the stability and safety of your JUMBO SUPER PROFF Work Platform. The bracket provides extra support during use and can be easily folded by loosening two thumb screws, making it convenient for storage and transport.

The safety bracket is compatible with JUMBO SUPER PROFF models 41TSS202 - 204. To install the bracket, a drill and an 8.5 mm metal bit (not included) are required. A drilling template is included to ensure accurate installation.
