## Description

The JUMBO Super Pro Step Ladder - Extra Wide is designed for the most demanding tasks where both stability and comfort are essential. The ladder is constructed with heavy-duty rails featuring an anodised surface to prevent dirty hands and ensure long-lasting durability.

The 10 cm wide steps are equipped with 12-point connections and reinforced corners, providing extra strength and safety. The extra-wide top plate, measuring 35 x 65 cm, offers a generous working surface that enhances comfort and safety during use.

For additional safety and comfort, a solid safety bracket can be purchased, making the work platform even more versatile and reliable in professional settings.
