Description

The JUMBO Pro Classic 3 Part Extension Ladder is the optimal choice for professional tradespeople and DIY enthusiasts who demand flexibility, safety, and durability. The ladder is designed with 35x35 mm ergonomic aluminium rungs, providing optimal comfort during use. The anodised side rails ensure not only stability but also that you avoid dirty hands during work.

For additional safety, the ladder is equipped with an automatic locking mechanism that prevents unwanted movement, along with a ladder foot that offers extra stability on uneven surfaces. The top wheels make it easy to adjust the ladder's height and position, increasing flexibility, especially in professional settings.

Specifications:

- Ergonomically designed rungs: 35x35 mm
- Anodised side rails
- Automatic locking mechanism
- Supplied with ladder foot and top wheels

Detail Images
