Description

The JUMBO Pro Classic Step Ladder Double is designed to meet the demands of professional tradespeople who require a robust and reliable ladder. This step ladder is built with exceptionally stable special profile side rails, providing extra strength and stability. The anodised side rails ensure that your hands stay clean during work.

The ladder is equipped with a large top plate measuring 35.5 x 24.5 cm, offering a secure and stable platform. The ergonomically designed steps are 8 cm wide and made of aluminium, ensuring both comfort and durability. To enhance the ladder's robustness and safety, it is fitted with heavy-duty cutting hinges, providing an extra stable construction.
