Description

The JUMBO Pro Wooden Step Ladder is the perfect solution for all your ladder needs. Made from laminated pine wood with ergonomic steps in solid beech, this ladder offers both durability and safety. With 46 mm wide ergonomic steps with a knurled, nonslip surface, it is comfortable to use even for extended periods. It features a stable construction, ensuring the ladder remains firm during use. This wooden ladder is ideal for painting, repairs, and other tasks requiring a reliable and robust ladder.

The open ladder is held in place by strong woven bands - which are easily replaceable. Furthermore, there are hooks on both sides. The ladders are surface treated with linseed oil for longer life.
