Description

The Pro Classic Handrail, measuring 2260 mm, is designed to provide maximum support and safety when using your ladders. This handrail comes with 3 brackets, ensuring a strong and stable installation. It is compatible with various JUMBO ladder models, including single step ladders (45TSE110-112), double step ladders (45TSD208-212), and warehouse ladders (45LS110-113). This handrail enhances both safety and comfort, making it an ideal choice for professionals working at height who require extra stability.
