Description

The JUMBO Wooden Ladder is designed with safety and comfort in mind. Its 80mm wide, grooved ergonomic steps provide a secure and comfortable standing experience. The steps are made from durable beech wood, while the sides are constructed from robust pine. Equipped with bucket hooks on both sides, this ladder is perfect for working with tools in hand. Strong, “rattle-free” straps maintain stability.

Specifications:

- Steps: 80mm wide and slip-resistant
- Material: Pine (sides), Beech (steps)
- Bucket hook on both sides
- Replaceable, strong straps

Detail Images

Bucket hook on both sides

Distance between ladders is maintained by extra strong, replaceable "rattle-free" clamps

80 mm wide, ribbed and non-slip ergonomic steps.

Walls = Pine
