Specifications

Weight: 0.6 kg

Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
35BH111	1963732			1 years	0.6 kg

Description

This special coupler is designed for JUMBO construction site fences and provides additional security where needed. The coupler is ideal for construction sites, festivals, and other areas where preventing unauthorised access and tampering with the fence is crucial.

The special coupler ensures that the fence is securely and reliably fastened. It can only be loosened with Special Key 35BH112, providing extra protection against unwanted removal or adjustment of the fence. This enables maintaining high security and control over the fenced areas.

Specifications:

- Model: Special coupler for JUMBO construction site fences
- Security: Can only be loosened with Special Key 35BH112
- Application: For additional security of construction site fences
- This special coupler is a reliable and secure solution that ensures your construction site fence remains securely fastened und
