Description

This Vario platform is specifically designed for GEDA roof lifts, offering a flexible and efficient solution for construction sites. The platform features hinged sides, making it easy to load and unload materials. It can be adjusted according to track inclination, ensuring optimal use under various working conditions. The robust construction and adjustable features make this platform ideal for both small and large projects.

Specifications:

- Compatible with GEDA roof lift
 - Hinged sides for easy loading and unloading
 - Adjustable according to track inclination
 - Robust and durable construction
 - Perfect for various construction projects
- NOTE: THIS IS A SPECIAL PRODUCT.
