Description

The JUMBO Folding Trestle is a versatile and stable work trestle, ideal for a variety of construction and craft tasks. It features a crossbar made of 75 x 30 mm pine wood and a locking bracket that ensures the stability of the trestle during use.

Technical Specifications:

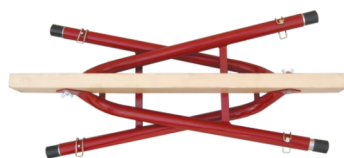

Crossbar: 75 x 30 mm pine wood

Height adjustment: Adjustable to 4 heights (60, 70, 80, and 90 cm)

Locking bracket: For stabilizing the trestle

Leg adjustment: Clips for adjusting leg height

The adjustable legs make it easy to customize the height as needed, making it suitable for various working conditions.
