Description

The JUMBO Stair Climbing Hand Truck is a practical hand truck designed for transporting heavy items, especially on stairs. It features an extendable frame, allowing for the transport of larger items, making it versatile and efficient in use.

Specifications and Features:

- Solid wheels Ø150 mm with steel rims.
- Carrying capacity: 250 kg.
- Roller bearings for smooth and stable movement.
- Three-wheel system: Allows smooth rolling up stairs.
- Rotating wheels: Three wheels can rotate on their axis, making it easy to pull the truck up stairs.
- Extendable frame for transporting larger items.
- Robust construction, ideal for heavy items.
- The JUMBO Stair Climbing Hand Truck is the perfect solution for those who need a reliable and durable cart for transporting both heavy and larger items up and down stairs in various environments.
