

Dump hopper

For Rubbish chute

Specifications

Weight: 8.5 kg
Colour: Blue

Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
38GEDA076	1388412			1 years	8.5 kg

Description

This dump hopper is made from durable plastic material and is designed to be placed on top of chute 38GEDA110. The dump hopper provides a wider loading area, making it easier and more efficient to dispose of construction waste from the scaffolding. The robust construction ensures long-lasting durability and resistance to the demanding conditions of the construction site.

By using this dump hopper, waste management is significantly improved, as the wider opening allows larger amounts of waste to be loaded at once. This not only increases efficiency but also safety, as waste can be disposed of faster and more controlled.

Specifications:

- Material: Durable plastic
- Application: For placing on top of chute 38GEDA110
- Feature: Provides a wider loading area for waste disposal
