Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
37SB000	2141405			3 years	1.4 kg

Description

The post holder is made of Ø42.40 pipe, with 3.25 mm wall thickness and thumbscrew for fixing the railing post. As a railing post, use either a railing post for wooden railings (2200101) or for steel railings (2200120) - which is also used in JUMBO Bukkestillads

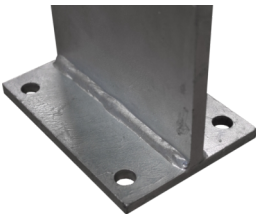

Detail Images

Can be used with JUMBO Railing post for steel railing or JUMBO Railing post for wooden railing - which is also used for JUMBO Bucket scaffolding

For frost protection, a hole of water is placed in the bottom of the post holder

Solid, fully welded fortress bracket with a wall thickness of 8 mm.
