ALU

Specifications

Weight: 1.5 kg
Colour: Grey

Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
38JS106				10 years	1.5 kg

Description

The JUMBO-Safe post is designed for use with roof railings with a standard base plate. This post ensures stability and safety in roof constructions by securely fastening the railing.

The JUMBO-Safe post is a robust component in roof railing systems, ensuring reliable fastening and contributing to a safe work environment on the roof. The clips at the bottom of the post make installation simple and secure, providing additional assurance during work.
