For connection pieces

Specifications

Weight: 0.1 kg

Product no.	DBNumber	EAN Code	Jumbo Brand	Warranty	Net Weight
1600150	1607280				0.1 kg

Description

This special pin is designed to secure the JUMBO connection piece when mounted in a frame on your folding scaffold. The pin provides an additional safety measure, ensuring that the connection piece stays securely in place during use. It is easy to install and is an essential part of your scaffold setup, especially when a strong and reliable connection between scaffold sections is required.
